TEACHERS AND THEIR SALARIES

Board of Education Deplores Inability to Pay Enough for Services.

The old question of the meagerness of salary paid to the school teachers of Hawaii was discussed at the meeting of the Board of Education yesterday afternoon. It was decided in the way it always is when brought up—that the teachers as a rule fail to receive what their services are worth. There was nothing to be done about it, however, and the salaries were left alone, pending the action of the next Legislature. Superintendent Babbitt, F. T. P. Waterhouse, Judge Perry, and John Carden were present when the meeting was called to order. The first question was the providing of a school to serve the districts of Honokowai and Kaanapali. At the latter camp there are from 50 to 60 children, mostly Japanese, while attending the Kaanapali school are 34 children, mostly Hawaiians. Mr. Babbitt recommended enlarging the present school rather than moving it closer to the camp. This was agreed to. Authority was given the Superintendent to exchange the present school site at Olowala for a larger and better one. The present site is wanted by the plantation, while the Superintendent wanted the new site. Another transfer at Kalanianaʻohale was agreed to.

There was a discussion regarding attempting to keep Mr. Donahue at the High School, he having been offered a position with the Agricultural College. The Superintendent thought the Board had no right to hold him because it could not afford to pay him what he was worth. Mr. Carden suggested offering him \$150 a month to stay, an increase of \$25. If he accepted, it would do away with having to look for another mathematical teacher.

Mr. Waterhouse thought the question to be decided was whether the arranged schedules should be stuck to or whether any exceptions should be made in exceptional cases. To make an exception would make trouble.

This brought about the old question of the salaries paid teachers in general. Judge Perry thought that half the teachers were getting less than their services entitled them to, and Mr. Waterhouse thought the whole schedule should be boosted. The Superintendent promised to ask the next Legislature for enough to bring about another general raise.

The question of raising Mr. Donahue's salary went over for a special meeting. Mr. Babbitt stating that a request for an increased salary might be expected from Mr. Blanchard of the High School.

A change in the terms was authorized, the long vacation being shifted forward a week, commencing one week later than now and extending through the first week of September. Mr. Babbitt reported that the teachers' meetings had recommended that a new grade be established at the Grammar School, a special grade in which the graduates of the public schools could be prepared for entrance to the High School. The recommendation was accepted.

COMING GARDEN FETE AT PUNAHOU COLLEGE

At 2 o'clock on Saturday next, June 13, a garden fete will be given on the beautiful grounds of Oahu College for the benefit of the school athletic association.

The attractions will be numerous and novel, the chief aim being to present something quite out of the ordinary.

One of the prominent features will be the program of songs and dances. This will include the Spanish dance by six little maids attired in the national costume, a song and dance by Reynold McGrew and little Stella Carter, which will not fail to delight the audience, and a bewitching dance by Miss Margaret, another of Mrs. Carter's clever little girls. All who have heard Mrs. Bond's charming songs will not fail to be completely captivated by Master Vernon Tenney's rendering of a few of the most popular.

The following lady friends of the school have consented to be patronesses for the occasion: Mrs. F. J. Lowrey, Mrs. B. F. Dillingham, Mrs. J. A. Kennedy, Mrs. C. M. Cooke, Mrs. W. D. Alexander, Mrs. F. M. Swanzy, Mrs. P. C. Jones, Mrs. A. Judd, Mrs. S. B. Dole, Mrs. C. Atherton, Mrs. S. M. Damon, and Mrs. G. R. Carter.

MORE HINDOOS MAY COME HERE

VANCOUVER, B. C., May 28.—Declaring that they are unable to obtain work in Vancouver, dozens of Hindoos are applying at Canadian Pacific ticket offices for information as to the rates of passage to Honolulu. It is believed the few Hindoos who have strayed from Vancouver to the Islands have found labor conditions there more to their liking than in British Columbia, and have sent back word to their complaining compatriots, urging them to go to Honolulu. In all probability a fairly large number of Hindoos will leave for that point on the next Canadian-Australian liner.
